- Elija una tarea.

Complete **one** of the following tasks in **at least** 250 words.

1. As a member of the “Young Inventors Club” you have been asked to write an article about an invention you would like to see. Write an article for your school publication describing this invention, saying what it is, how it would work and why it would be important.

 2. Your good friend really wants to study a subject that his/her parents are not in favour of. Write a letter to your friend giving ideas that could be used to persuade his/her parents to allow your friend to study what he/she wants.

 3. You are participating in a debate on the motion: “Students should be encouraged to hold a part-time job while they are completing their secondary school studies”. Write the text of your speech, either agreeing or disagreeing with this motion.

 4. On your way home from school you witnessed a crime or an accident. Write a detailed statement about the incident to help the police in their investigation.
